</table>

2. Prescribe IvoBase® Precision Press Processing

Ivoclar Vivadent has the only denture processing system that ensures the least amount of shrinkage and residual monomer for fewer adjustments and the best fit and function possible. Ivoclar Vivadent has the only patented technology that can ensure a denture base with:

- A Precise Fit
- More Comfort and Better Stability
- Resistance to staining, plaque, odor absorption and bacterial growth

3. Use an Authorized Ivoclar Vivadent Removable Laboratory

and start prescribing More than a denture today!
